Thank you for considering nominating someone for the **BSAA/BHS Alumni Hall of Fame**.

Please take a moment to look over the criteria that our Selection Committee will consider, to make sure you have included enough information to allow them to make an informed decision about your nominee. You can include copies of articles about your nominee(s), listings in professional directories, etc. – whatever will give a better sense of what kind of person and achiever he or she is.

Background

The **BSAA/BHS Alumni Hall of Fame** is a project of the **Brighton Schools Alumni Association** (BSAA) that aims to inspire students in the Brighton Central School District of Rochester, NY, by honoring outstanding Brighton High School (BHS) alumni who “make a difference” and attribute their personal and professional success to the education they received at BHS. Honorees to date include outstanding achievers in academia/education, medicine, business, science, the military, religious institutions and more. To find out more about past honorees, go to our website (www.brightonalumni.org/bhs_alumni_hall_of_fame.htm).
