

Prints available of "12 Corners in the '50s"

Jim Christy (Brighton High School '57) created this delightful view of "12 Corners in the mid-1950s" for the 50th reunion of the BHS class of 1957, and prints to benefit the **Brighton Schools Alumni Association** (BSAA) are now available from the artist. Each print will be signed by the artist and accompanied by a detailed legend identifying the buildings and most of the cars in the painting.

Payment must be made by check. Because the BSAA is a 501(c)3 not-for-profit organization, a proportion of each purchase is tax-deductible. For your copy, please send the form below with your check, payable to the BSAA, to:
